

Product Data Sheet

NewPro proGlass Cleaning Milk NA 301

Product description

NewPro proGlass Cleaning Milk NA 301 is a water-based cleaning solution for clear glass. Special ingredients prepare the glass surface for treatment with water-and oil-repellent easy-to-clean coatings. NewPro proGlass Cleaning Milk NA 301 removes without trace all visible and invisible oil- and silicone-residues.

Main property:	Abrasive, silicone absorbing detergent.
Main field of application:	Pre-treatment of clean glass before the application of NewPro Glass Clear.
Non-suitable Surfaces:	Acid and solvent sensitive surfaces like natural stone or plastics..
Material basis:	Water, minerals, organic acids and surface active agents.
Packaging sizes:	See current product list.
Storage:	Shelf life of at least 24 month in sealed original packing. In case of overstepping the quality of the material should be tested again. Protect against heat, frost and moisture.
Colour:	Yellowish
Mixing:	Shake well before use. Use as delivered from original packing.
Application:	According to the directions for use – see separate documentation.
Consumption:	Ca. 20 ml / m2.
Protective measures:	Carefully read notes and suggestions for safe working indicated on packaging; observe accident-prevention measures suggested by professional associations. See Safety Data Sheet for further information.

Waste management: Can be disposed as domestic waste.

Regulation on detergents

In case of distribution to the end consumer market it is necessary to follow the rules of the regulation (EC) No. 648/2004. This affects the labels, the publication of ingredients on a web page and the preparation of a data sheet for medical purposes. See separate documentation.

VOC: Rate of volatile organic compounds (Bp 60 – 250 °C): 4 %.

The information on this data sheet is based on the current status of technical development as well as our experience with the product. However, given the variety of surfaces and ambient conditions, the information provided on this data sheet shall in no way diminish the responsibility of the user to ensure with due care, that our product is suited for the intended purpose, surface and application conditions. Since application and processing lie outside our purview, no manufacturer liability shall be derived from the information provided herein. Our General Terms and Conditions of business shall apply in all cases. All information is subject to change without notice.
